

# FENNER CONFERENCE ON THE ENVIRONMENT

INCORPORATING THE 20TH ANNUAL CONFERENCE OF THE  
AUSTRALASIAN WILDLIFE MANAGEMENT SOCIETY (AWMS)

Shine Dome, Australian Academy of Science, Canberra ..... 2 - 5 December 2007

Have you registered yet? .... [CLICK HERE TO REGISTER ONLINE](#)  
Or access the website for more information ... <http://www.awms.org.nz>

## Themes and key speakers at the Fenner conference

The conference is highlighting aspects of the research by the late Graeme Caughley. Hence, a variety of his research themes were selected and several speakers invited to talk to those topics – see below. Many other talks and posters are weaved around these themes.

- **The conference starts at 10am on Sunday December 2. Registration is from 9am.**
- **The conference ends about 3pm on Wednesday December 5.**

### Sunday

Population dynamics after Caughley: the grand vision—*Charles Krebs*

The ecological impact of invasive cane toads—*Rick Shine*

Human dimensions of wildlife management in Australasia—*Kelly Miller*

### Monday

Graeme Caughley and the fundamentals of population ecology—*Richard Sibly*

Trophic models for rodents in New Zealand forests—*Roger Pech*

Strategic options in wildlife management—*John Parkes*

### Tuesday

Caughley in Africa: advancing concepts of wildlife management—*Tony Sinclair*

Managing wildlife harvest under global change—*Barry Brook*

Management of wildlife and disease in Australia and New Zealand—*Andrea Byrom*

Genetics and conservation: a revolution in the time since Caughley—*Stephen Sarre*

From molecules to landscapes: genealogical concordance and definition of natural bioregions for freshwaters—*Arthur Georges*

### Wednesday

Tracking waterbird populations with aerial surveys – what have we learnt after almost a quarter of a century?—*Richard Kingsford*

Kangaroo ecology: individuals, associations and populations—*Graeme Coulson*

Is wildlife management well served by poor measures of animal abundance?—*David Choquenot and Richard Barker*

Management of introduced ungulates in New Zealand—*Dave Forsyth*

**Register now ... accommodation is very tight!**

## Thank you to our sponsors...

Invasive Animals Cooperative Research Centre

UNIVERSITY OF CANBERRA

Institute for Applied Ecology  
Ecological Solutions for a Healthy Environment

Landcare Research  
Manaaki Whenua

Australian Academy of Science

The full program for the Conference will be uploaded to the website shortly. If you have any queries in relation to the Conference, please contact either: Jim Hone on (02) 62012979 or Doreen Culliver on (02) 6288 3998 .

**If you wish to take up a sponsorship opportunity, please contact Doreen Culliver on (02) 6288 3998**
